

Travel Light, by Ram Tzu

You read the Spiritual guidebooks. God on \$25 a Day. You are inspired.
You can't wait to see All the sights So eloquently described. It all
sounds Much more exciting Than what you have at home. But the fear
sets in When it's time to leave. You try to pack Everything you own.
Now you can't move For the weight of it. Ram Tzu knows this... If you
finally go You'll travel light. -- Ram Tzu
